

# EXPERT MEDICAL INFORMATION AND OPINIONS

**Because Nothing Matters  
More Than Your Health**

When you're facing the uncertainty of a medical condition, Best Doctors provides clarity and understanding, helping ensure you get the right information, the right diagnosis and the right treatment.

We provide access to more than 53,000 expert physicians in over 450 specialties and subspecialties worldwide. One call to Best Doctors and a Member Advocate, a Registered Nurse, becomes your personal health ambassador, reaching out to the medical community on your behalf.

With Best Doctors, you can get an expert second opinion about surgery or a serious medical diagnosis, find a specialist, or get help understanding your condition and navigating the healthcare system. Because when it comes to your health, nothing is more important than getting it right.

**Best Doctors provides you with access to over 53,000 of the best medical specialists in the world.**

THE **RIGHT** INFORMATION  
THE **RIGHT** DIAGNOSIS  
THE **RIGHT** TREATMENT

Best Doctors offers a range of services to ensure you have the information you need to move your healthcare forward with confidence.

**InterConsultation™**

More than just a second opinion, Best Doctors experts will conduct an in-depth analysis of your medical records, including imaging scans, X-rays, test results and pathology (which is retested). You'll receive a written summary of our findings that you can share with your doctor.

**FindBestDoc™**

Best Doctors will conduct a customized physician search and recommend leading Canadian specialists who are accepting new patients.

**FindBestCare®**

When expert physicians or leading care facilities are required outside of Canada, Best Doctors will find them for you.

**Best Doctors 360°™**

Call Best Doctors for medical information and resources, one-on-one support and customized health coaching for a wide range of health concerns, from simple to serious.

**Best Doctors helps you understand your medical condition and ensure you have the right diagnosis and the best treatment options.**

MAKE SURE YOUR NEXT MEDICAL DECISION **IS THE RIGHT ONE**

Since our founding by Harvard Medical School physicians in 1989, we have been focused on helping people facing medical challenges get it right.

Supporting the Canadian healthcare system, our services help ensure our members have the right diagnosis and the best treatment options. We provide expert medical advice from some of the world's leading physicians, enabling our members to make the best decisions about their healthcare.
