

# **Disability Reporting Form for Pilot Income Protection / Loss of Licence Insurance**

## Part 1 - Instructions and Undertakings:

---

Please read the following notes carefully before completing this form.

### Background:

Flight Crew are employed in different countries and some difficulties have been encountered by the Insurer in obtaining the information necessary to determine whether there is a valid claim under the policy. If information is not provided in a prompt and efficient manner, it will slow down the Insurers ability to reach a decision on your claim or in extreme cases may invalidate it.

As national practice varies, the following notes are provided to assist you in understanding what the Insurer requires of you, what you need to do and when you need to do it.

The policy provides a disability benefit if You become Disabled during the Period of Insurance as a consequence of Bodily Injury or Illness and the Disablement continues for longer than the Waiting Period shown in the Schedule. The Insurer will pay the Disability Benefit for each subsequent month for which the You remain Disabled.

There is a referee procedure specified in the policy if you disagree with the Insurers decision and this is based solely on medical grounds.

### Reporting a Sickness or Disability:

To comply with the terms of your insurance policy, all events that might give rise to a claim must be notified within 30 days. You must therefore report any accident or illness from which you suffer IF:

- (a) You are continuously absent from work for more than 28 days; OR
- (b) Your flying licence is suspended on medical grounds; OR
- (c) You believe it is likely that your flying licence may be suspended on medical grounds.

Reporting an accident or illness does **Not** mean you have to make a claim but it protects your interests if you need to do so at a later date. It will not prejudice your flying career.

To protect your interest under the policy, you must complete all sections promptly and as completely as you can. You should then return it to: Lumley Insurance Limited, Southway House, Southway, Cirencester, Gloucestershire, GL7 1FN

If you do not comply with the terms of your insurance policy your ability to claim at a later date may be delayed, reduced or lost if the Insurer is unable to complete any investigations that they are entitled to make.

### Completing This Form:

All sections of the sickness form **Must** be completed in full.

If you have received a temporary suspension from the Licencing Authorities, please attach a copy to your sickness form or submit a copy once received.

If you have any medical reports relating to the sickness, please provide copies of them as they may assist in expediting your claim.

If your claim is for Income Protection or a Temporary Benefit:

In addition to completing this form, you must provide evidence of your salary if your policy covers income protection. In order to do this, the Insurer will require at least 4 consecutive months wage slips to include current month.

You must also provide details of any other benefits you will receive, i.e. any company or private insurance or any social or state insurance.

You must continue to provide this evidence when requested by the Insurer from time to time during the period of disability.

### Your Responsibilities During a Period of Disability:

You and your attending physicians will need to demonstrate to the Insurer that:

- (1) You are under the care of appropriately qualified medical professionals who are treating your health problems in a diligent and timely manner.

- (2) You are following a course of treatment that will, if at all possible, restore your medical certificate and enable you to return to flying duties with your employer.
- (3) You are attending treatment in a timely manner as and when required by your doctor/s unless you have reasonable excuse.
- (4) You are complying with your employer's sickness reporting procedure.

The Insurer may require detailed medical reports from your attending physicians and may require you to attend an independent medical assessment.

In most cases, provided that you are in regular contact with your employer and your attending physicians you will not need to take any further action. It is therefore in your interest to ensure that you do this.

If your physicians feel that there is a course of treatment available which could assist in restoring your medical certificate(s) but that the treatment is not appropriate in your case, it is very important that this is explained to the Insurer, with full reasons, at the earliest possible opportunity.
